*Farm recording **made easy***

KINGSWOOD VETLINK

Bord Bia audits slowing you down?

Let **Kingswood's VetLink facility** take the pain out of Animal Remedies recording

- **Direct link with your vet**

Veterinary practice emails file containing medicine purchases and prescription details to the Kingswood server.

- **Bord Bia reports automatically generated**

Kingswood Mobile processes purchases and prescriptions to generate the key Bord Bia reports.

- **Save Money**

No need to pay outside agencies to keep your Animal Remedies records.

- **Integrated Herd Records**

Kingswood Mobile integrates your animal treatments with your other herd data such as breeding & fertility records.
